UNITED STATES PATENT OFFICE

163,367

SHUTTLECOCK

William Charles Carlton, Hornchurch, England

Application May 23, 1950, Serial No. 10,122
In Great Britain March 23, 1950

Term of patent 14 years

(Cl. D34—5)

To all whom it may concern:

Be it known that I, William Charles Carlton, a subject of the King of England, residing at "Oaklands," 14 Herbert Road, Hornchurch, in the county of Essex, in the Realm of England, have invented a new, original, and ornamental Design for Shuttlecock, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

Figure 1 is an isometric view of a shuttlecock showing my new design.

Figure 2 is a plan view of the new design; and

Figure 3 is a side elevation of the new design.

I claim:

The ornamental design for a shuttlecock, as shown.

WILLIAM CHARLES CARLTON.
