

South San Francisco Recreation Department presents the

2001 Northern California Badminton Open Tournament

April 7-8 2001

South San Francisco High - 400 B Street, South San Francisco, CA.

Santa Rosa Badminton Club
1894 Bennett Meadows Lane
Santa Rosa CA 95405-8375

The Northern California Junior Open was run in Berkeley for several decades by members of the Weller family. The tournament was professionally run and a great competitive and learning experience in which sportsmanship, etiquette, and adherence to the rules of badminton were emphasized. For various reasons they were forced to halt these valuable tournaments in the early 90's.

The tournament was re-introduced in the mid 90's with events in Davis and Santa Rosa. With the support of the SSF Recreation Department this tradition was moved in 1999 to South San Francisco. This first SSF tournament benefited from the new venue, had nearly 90 juniors and was quite successful. Timing this year is chosen so as to be during the high school badminton season and well before the Junior Nationals. For high school players this is a great opportunity to experience open tournament play and to play in more than just one event. For the more serious juniors it is a good chance to test themselves, meet partners, and otherwise help prepare for the nationals.

Open Tournament

This tournament is open to all juniors. You do not have to be a California resident. This is not a High School event. You are representing yourself and not your school.

Starting Times

Gym opens 9AM on both days. Play starts at 9:40. More details will be posted when scheduling is complete. Times for first round matches will be posted here and emailed to players. After the first round all times posted at the tournament will be official.

Entry Deadline

It is a tremendous help to the tournament committee if you have your entry form in on time. EMAIL is perfectly acceptable for last-minute entries if you also send in paper entry with your FEES. Please do not abuse this process by sending in entries without fees.
