TEAM PICTURES

We will have team pictures THIS TUESDAY the 27th at the beginning of practice. Be in uniform and at the gym directly after school. Please make every effort to attend team pictures even if you can't stay for practice!

PRACTICE – late practice Monday (6-8), after school both Tuesday and Friday

THIS WEEK

We have a AWAY games on both Wednesday and Thursday. In both cases we have a bus so you need to be ON TIME. Bus departure will be announced on the day of the game and you will be released from class in time to get ready and to the bus.

Note that on Wednesday we are going to Petaluma so I would expect to be back at the school around 7:30. Thursday is local (Piner) so we should be back by 6:30.

NEXT WEEK

Spring Break so practice is not mandatory but hopefully most of you will attend. I'll post times on our website as soon as I have them, but will be aiming for 9-12 each day.

TEAM PARTY

Let's have a pot luck. I will ask each one of you to prepare something for the group. Appetizers, main dishes, desserts, sides are all fair game, but please no pre-prepared items. If you are just learning to cook, ask the cook in your house to show you how. I'll have an oven and a barbecue available if you would like to bring something to cook at the party. Tentative date is Sunday May 13.

HOMEWORK: due Monday April 9.

A = 45

 $X=(A>=45?1/\sin(A):\sin(A))$

X=?

Remember ground rules: you can work together or in teams, You can use any reference you like or consult anyone. However everyone of the team needs to know answer and be able to justify it so you should share what you find. I will ask someone at random what the answer is and ask someone else to explain it.
