### VACATION

Hope everyone had a good vacation and is rested and ready to go!

**IMPORTANT PRACTICE** – Monday (6-8). We have away games both Tuesday and Thursday and many of you haven't played in over a week now, so this becomes a very important practice. Please attend if you possibly can.

**NOTIFY ME.** You've all been good about letting me know if you can't attend a practice or match. Please continue doing so.

### THIS WEEK

We have a **AWAY** games on both Tuesday and Thursday. As before we will have buses for these games and will meet at RUP then walk over to the bus. Everyone should plan on taking the bus even if you want to drive yourself.

These two matches are relatively close by so expect to be back to RUP between 6:30 and 7.

### TEAM PARTY

Let's have a pot luck. I will ask each one of you to prepare something for the group. Appetizers, main dishes, desserts, sides are all fair game, but please no pre-prepared items. If you are just learning to cook, ask the cook in your house to show you how. I'll have an oven and a barbecue available if you would like to bring something to cook at the party. Once you know what you are preparing please drop me a note. Tentative date is Sunday May 13, 2PM.

**HOMEWORK:** due Monday April 16: What is the answer?

*Remember ground rules: you can work together or in teams, You can use any reference you like or consult anyone. However everyone of the team needs to know answer and be able to justify it so you should share what you find. I will ask someone at random what the answer is and ask someone else to explain it.*
