Congratulations to our All-Star Athlete Nominees

The Press Democrat is honored to highlight local high school Scholar Athletes and Athletes and their accomplishments as nominees for the 2023 All-Star Athletes Awards. Today, we salute the 62 student-athletes from 17 area high schools who demonstrated leadership, athletic prowess and academic achievement, as nominated by their coaches and athletic directors.

Over the past four years, these student-athletes demonstrated tremendous resiliency, maturity and perseverance in the face of unprecedented challenge. Instead of walking away, they summoned incredible fortitude and confronted every obstacle that came their way.

Today is our opportunity to honor these amazing young adults and their accomplishments as our 2023 All Star Athletes nominees. The final eight winners will be announced at our 26th annual All Star Athlete awards ceremony May 9th.
