Team News

Monday, 12 March 2007

The regular season is here! Practice every day after school.

It is very important that I know if you will not be able to make it to any of our matches.

TRANSPORTATION: drivers are needed for away matches in town- and PARENT drivers are needed for our two matches in Petaluma. So be lining up drivers! Megan and I can take some but not the whole team.

Doubles: We need a lot of work on doubles so it becomes very important for everyone to come to as many practices as possible.

EASTER VACATION

Homework for last week: back to falling ball. Ball falls from 27.5 m and hits ledge 1m from floor, being deflected horizontally. Question: how far does the ball travel before hitting the floor?

Homework for this week: If I have a bunch of frisbees that measure 11" across, how many can I fit into a circle with radius of 5 feet?
