

HEALDSBURG UNIFIED SCHOOL DISTRICT

RIGOR · RELEVANCE · COMMUNITY

March 25, 2020

Dear Healdsburg Community,

I know that it has been a long week and half for everyone and hope this letter finds you safe and healthy. I am writing with an important update about schools and the role we all have in preventing the community spread of COVID-19 (coronavirus). Sonoma County, along with Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, and Solano counties, is officially announcing continued **distance learning through May 1, 2020**. This means students will continue learning from home through May 1st unless circumstances change regarding COVID-19.

By now, our students have all begun their new distance learning programs and you will continue to receive updated information regarding these opportunities from our various school sites. We have also created a distance learning parent resource page on our website that can be used to enrich your students' learning. Please know that "Grab and Go" lunches will continue as well as counseling and virtual mental health supports.

Thank you once again for your patience as we all adjust to the challenges of staying at home and communicating with each other in new ways. I know that this is difficult for everyone, not only due to health concerns, but financial ones also. Please do take care of yourself and your family and honor the requests made by in the name of keeping our entire community safe. We will continue to post updates on our district website, www.husd.com.

If you have questions related to school or your child's learning, please contact your principal or our district hotline at 707.431.3480.

Sincerely

Chris Vanden Heuvel
Superintendent
