

BADMINTON PLAYERS NEEDED !

Anyone interested in learning about the Piner badminton team- or in just finding out more about this great sport itself- plan on attending a team meeting **WEDNESDAY OCTOBER 17** after school (~2:15 PM)

The focus for this year will be in building a larger team with a more cohesive team spirit. Planning for this year will take a while so let's get started early. I'll start with some good news for the team and then we can discuss details.
