

# Piner Badminton 2008 Team Meeting

Wednesday, 12 December 2007

## **The 2008 Season is rapidly approaching !**

This year we will see some real changes, including a supply of new rackets purchased by the Badminton club, new out-of-league opponents, changes in coaching and team admin, new racket bags from ASBY/USAB. Megan will be joining us again as coach.

**Transportation Money** – this year for the first time the \$50 transportation fee actually goes to transportation! All of the money stays with our team. So, start saving your pennies. I will expect everyone to pay their fee.

**New Opponents** -- we will be heading down to Vallejo instead Napa and will also be heading to the east bay and/or central valley. Plans are still being worked on, but expect one long Saturday trip.

**State High School Championships** there's a committee working on a State level competition after the section playoffs. Unfortunately this is not going to come together this year, but looks likely for next year.

## **First Team Practice - Monday February 4**

This may seem a long time off but it will be here soon. Start preparing now by getting regular exercise and keeping your academics in order.

**Clearance - no practice until clearance form is turned in** so it is essential that you have this paperwork done well before the season starts. This year I would like all players to be cleared as early as possible.

## **Team Captains**

Nominations are in order. We will vote in January.

**Sunday badminton** continues to be available for all badminton enthusiasts including prospective team players. The club plays every Sunday from 3-8 PM. See [www.worldbadminton.com/piner/club](http://www.worldbadminton.com/piner/club) for more information. Funds from this go to a good cause: Piner Badminton!
