SANTA ROSA CITY SCHOOLS NOTICE ON SERIOUS, CATASTROPHIC, AND PERHAPS FATAL ACCIDENTS

The Santa Rosa City School District provides an extensive athletic program and makes every effort to ensure that the program is educational, beneficial, and as safe as possible for students. Yet, by its very nature, competitive athletics may put students in situations in which SERIOUS, CATASTROPHIC, and perhaps FATAL accidents may occur.

Many forms of athletic competition result in physical contact among players, strenuous physical exertion, the use of equipment that may result in accidents, and numerous other exposures to risk of injury.

Students and parents/guardians must assess the risks involved in such participation and make their choice to participate in spite of those risks. No amount of instruction, precaution, or supervision will totally eliminate all risk of injury. Just as driving an automobile involves choice of risk; athletic participation by high school students also may be inherently dangerous. The obligation of parents and students in making this choice to participate cannot be over-stated.

By granting permission for your student to participate in athletic competition, you, the parent or guardian, acknowledge that such risk exists.

Students will be instructed in proper techniques to be used in athletic competition and in the proper utilization of all equipment worn or used in practice and competition. Students must adhere to that instruction and utilization, and must refrain from improper uses and techniques.

All participants must have proof of a recent physical examination on file with the school prior to participation in interscholastic athletics.

If any of the foregoing is not completely understood, please contact your school principal for further information.

SANTA ROSA CITY SCHOOLS
CITIZENSHIP STANDARDS AND SERIOUS INFRACTIONS EXPLANATION

The following policies apply to all students involved in extra-curricular activities. If you have any questions, please talk to your coach, athletic director, or the administrator at your school who oversees the athletic program.

CITIZENSHIP STANDARDS

- A. While there are citizenship standards applicable to all students, higher standards are expected of student athletes because the community and other students recognize these students as models and leaders.
1. Any student who commits a violation of Education Code 48900 that results in suspension is automatically removed from participation in athletics/activities and all related practices for a period of 25 school days per Board Policy 6145.1. (See your school handbook or Board Policy 5114.1.3.2. for a list of suspendable offenses).
 2. Prior to the imposition of penalties as described above, the parent/guardian and student will be provided an opportunity to have a conference with school officials to present their side of the case and to comment on the offense and penalty involved.
 3. Each district school and each coach/athletic director is authorized to seek and enforce reasonable standards of conduct and reasonable penalties for violation thereof. These must be in writing and are subject to the approval of the school athletic director and the principal or designee.
 4. **In order to be eligible to practice or participate in an activity on any school day, participants must be in school for a full day.** Exceptions to this rule will be allowed in unusual cases if cleared through the school principal or designee.
 5. Students must not play on an "outside" team in the same sport while participating in the high school season of sport. Students may practice with the outside team, but may not play in scrimmages or contests. CIF Exception: it is permissible for a student to compete on an outside soccer team except during the period of November 15 to March 15.
- B. It is the responsibility of the principal or designee to insure that
1. Each coach/activity sponsor reviews these regulations with each team/club/group at the beginning of each sport or activity each year.
 2. Effort is made to notify students and parents/guardians of these regulations annually in writing.
- C. Regarding eligibility to participate in athletics/activities:
1. A student is automatically reinstated after 25 school days.

PHYSICAL FORM INFORMATION

A student must turn in a completed and signed physical form from the Student Clearance Packet to be eligible to participate.

EXCEPTIONS:

1. A student may turn in a signed and dated note from a licensed osteopath that is written on letterhead stationary. The note must be attached to the provided physical form with the student, parent/guardian, and health history section completed.
2. A student may turn in a signed and dated note from a medical doctor that is written on letterhead stationary. The note must signify that the student is physically cleared to participate in athletics. The note must be signed and dated after July 1, for that school year. Code of Conduct for Interscholastic Student-Athletes

Interscholastic athletic competition should demonstrate high standards of ethics and sportsmanship and promote the development of good character and other important life skills. The highest potential of sports is achieved when participants are committed to pursuing victory with honor according to six core principles: trustworthiness, respect, responsibility, fairness, caring, and good citizenship (the "Six Pillars of Character™"). This Code applies to all student-athletes involved in interscholastic sports in California. I understand that, in order to participate in high school athletics, I must act in accord with the following:

TRUSTWORTHINESS

1. *Trustworthiness*-- be worthy of trust in all I do:
 - a. *Integrity*--live up to high ideals of ethics and sportsmanship and always pursue victory with honor; do what's right even when it's unpopular or personally costly.
 - b. *Honesty*--live and compete honorably; don't lie, cheat, steal or engage in any other dishonest or unsportsmanlike conduct.
 - c. *Reliability*--fulfill commitments; do what I say I will do; be on time to practices and games.
 - d. *Loyalty*-- be loyal to my school and team; put the team above personal glory.

RESPECT

1. *Respect*-- treat all people with respect all the time and require the same of other student-athletes.
2. *Class* -- live and play with class; be a good sport; be gracious in victory and accept defeat with dignity; give fallen opponents help, compliment extraordinary performance, show sincere respect in pre- and post-game rituals.
3. *Disrespectful Conduct* ~ don't engage in disrespectful conduct of any sort including profanity, obscene gestures, offensive remarks of a sexual or racial nature, trash-talking, taunting, boastful celebrations, or other actions that demean individuals or the sport.
4. *Respect Officials* -- treat contest officials with respect; don't complain about or argue with official calls or decisions during or after an athletic event.

RESPONSIBILITY

1. *Importance of Education* -- be a student first and commit to getting the best education I can. Be honest with myself about the likelihood of getting an athletic scholarship or playing on a professional level and remember that many universities will not recruit student-athletes that do not have a serious commitment to their education, the ability to succeed academically or the character to represent their institution honorably.
2. *Role-Modeling* -- Remember, participation in sports is a privilege, not a fight and that I am expected to represent my school, coach and teammates with honor, on and off the field. Consistently exhibit good character and conduct yourself as a positive role model. Suspension or termination of the participation privilege is within the sole discretion of the school administration.
3. *Self-Control* -- exercise self-control; don't fight or show excessive displays of anger or frustration; have the strength to overcome the temptation to retaliate.

2. *Role-Modeling* -- Remember, participation in sports is a privilege, not a fight and that I am expected to represent my school, coach and teammates with honor, on and off the field. Consistently exhibit good character and conduct yourself as a positive role model. Suspension or termination of the participation privilege is within the sole discretion of the school administration.
3. *Self-Control* -- exercise self-control; don't fight or show excessive displays of anger or frustration; have the strength to overcome the temptation to retaliate.
4. *Healthy Lifestyle* -- safeguard your health; don't use any illegal or unhealthy substances including alcohol, tobacco and drugs or engage in any unhealthy techniques to gain, lose or maintain weight.
5. *Integrity of the Game* -- protect the integrity of the game; don't gamble. Play the game according to the rules.

FAIRNESS

1. *Be Fair* -- live up to high standards of fair play; be open-minded; always be willing to listen and learn.

CARING

1. *Concern for Others* -- demonstrate concern for others; never intentionally injure any player or engage in reckless behavior that might cause injury to others or myself.
2. *Teammates* -- help promote the well being of teammates by positive counseling and encouragement or by reporting any unhealthy or dangerous conduct to coaches.

CITIZENSHIP

1. *Play by the Rules* ~ maintain a thorough knowledge of and abide by all applicable game and competition rules.
2. *Spirit of rules* ~ honor the spirit and the letter of rules; avoid temptations to gain competitive advantage through improper gamesmanship techniques that violate the highest traditions of sportsmanship.

I have read and understand the requirements of this Code of Conduct. I understand that I'm expected to perform according to this code and I understand that there may be sanctions or penalties if I do not.

NOTICE TO PARENTS AND STUDENT ATHLETES

Serious, catastrophic, and perhaps fatal injury may result from athletic participation.

By its very nature, competitive athletics may put students in situations in which serious, catastrophic, and perhaps, fatal accidents may occur.

Many forms of athletic competition result in violent physical contact among players which may result in accidents, strenuous physical exertion and numerous other exposures to risk of injury.

Student-athletes and their parents/guardians must assess the risk involved in such participation and make their choice to participate in spite of those risks. No amount of instruction, precaution, or supervision will totally eliminate all risk of injury. The obligation of parents and students in making this choice to participate cannot be overstated. There have been accidents resulting in death, paraplegia, quadriplegia, and other very serious permanent physical impairment as a result of athletic competition.

By granting permission for your student-athlete to participate in athletic competition, you, the parent/guardian, acknowledge that such risk exists. By choosing to participate, the student-athlete, acknowledge that such a risk exists.

Student athletes will be instructed in proper techniques to be used in athletic competition and in the proper utilization of all equipment worn or used in practice and competition. Students must adhere to that instruction and must refrain from improper uses and techniques.

As previously stated, no amount of instruction, precaution, and supervision will totally eliminate all risk of serious, catastrophic, or even fatal injury.

If any of the foregoing is not completely understood, please contact your school principal or athletic director for further clarification and information.
