

Level 1 Coaching Course

National Coaching Standards

USAB has designed a series of courses to encourage badminton participation in the US. Both player and coach can learn current coaching techniques and advanced badminton skills from our elite Region 5 coaches.

Level 1 Teaching the Game

The primary areas covered in this course are Coaching Badminton skills and the Coaching Process. This course will provide to you a basic foundation for introducing badminton skills and techniques to beginners.

This course will enable you to "Teach Players To Play"; you can then help your children, students and friends understand and enjoy learning the game in an informal and fun way.

An ideal course for parents, physical education instructors, recreation supervisors and high school coaches.
