Bay Area Open tournament is a tradition started by badminton players in the Bay Area since 1999 to improve the level of badminton players in Northern California. Starting with 100 entries, mainly from students, and a single sponsor in 1999, now the tournament boasts over 200 entries from various demographics and sponsorships from famous brand badminton equipment manufacturers and local companies. Bay Area Open is not just a tournament, it is a tradition for having fun.
